POR LA LIBRE

AKA: DUST TO DUST

Rodri y Roco son dos jóvenes primos. Rodri es un adolescente tradicional y Roco es joven no convencional, lo que genera entre ellos choque y competencia. Ambos coinciden en la fiesta de cumpleaños de su abuelo Don Rodrigo, un viejo español con quien tienen una relación que nunca han podido establecer con sus respectivos padres. El abuelo se ha convertido en su confidente, su aliado incondicional, su amigo.

Desafortunadamente fallece y su última voluntad es que esparzan sus cenizas en Acapulco.

Una entrañable comedia de crecimiento a lo largo de un viaje de dos primos que deciden estrenar la vida, acompañados de las cenizas de su abuelo, en Acapulco.

Rodri and Roco are two young cousins. Rodri is a traditional teenager and Roco is an unconventional young boy, which makes them crash. Both go to the celebration of their grandfather's birthday, Don Rodrigo, an old Spanish man, with who they have a relationship that they never have, even with their own parents. The grandfathers have become his confident, his unconditional ally, his friend. Unfortunately he passes away and he last will was that they scatter his ashes in Acapulco. A nice comedy of growth throughout a trip of two cousins who decide to begin the life, accompanied of the ashes of their grandfather, in Acapulco.
