## SEA CHANGE

AKA: Y EL AMOR?

Rupert es un hombre obsesionado con su seguridad financiera, no tiene amigos, sólo contactos de negocios. Para su novia Alison, por el contrario, el amor está antes que el dinero. Alison lo ama y sufre con sus obsesiones hasta que el día de su cumpleaños descubre que está embarazada. Ella tiene planeada una fiesta con sus amigos y está decidida a que Rupert, asista a la fiesta. Por otro lado él no tiene idea de lo que está sucediendo, y planea su propia sorpresa para Alison. El siente que es tiempo de proponerle matrimonio para completar así su perfecto estilo de vida, después de todo ¿qué mejor manera de hacerlo que un romántico almuerzo de 45 minutos camino al aeropuerto?

---

Rupert is a man obsessed with his financial life, he does not have any friends, only business contacts. Unlike Rupert, Alison, his girlfriend feels that love is before the money. Alison loves him and suffers with his obsessions until the day of his birthday she discovers that she is pregnant. She has organized a celebration with her friends and she is determined that Rupert, goes to the party. On the other hand he does not have any idea about what is happening, and he plans his own surprise for Alison. He feels that it is time to propose her to get married, to complete his perfect style of life After all what better way to that during a romantic lunch of 45 minutes in the way to the airport?
