## AL COMPAS DEL SON

---

AKA : "In Time of Music"

**SINOPSIS:** Un modesto músico llega a la gran ciudad durante una época de gran auge musical. Se une a un sexteto y se enamora de una de las integrantes del mismo, quien pertenece a una familia burguesa. Su familia se encuentra atravesando una gran crisis económica y su única salida es obligarla a contraer matrimonio con un corrupto senador. Ambos lucharán contra los prejuicios que los separan y encontrarán la manera de estar juntos. Los protagonistas viven en un mundo absolutamente hostil donde la única recompensa es su música

**SYNOPSIS:** A modest musician, travels to the big city during a glorious time of the music Phenomenon. He joins a sextet and falls in love with one of the members, who is a descent of a bourgeois family. Her family is passing through an economic crisis and their only hope is to marry her with a corrupted senator. Both will fight against all the prejudices that separate them finding a way to be together. The characters will live in a completely adverse world, in which their only award is their music.
