

EL LADO OCULTO DE LA LUNA

AKA : "The Hidden Side of the Moon"

SINOPSIS: "El Lado Oculto de la Luna" narra la historia de cinco amigos provenientes de diferentes estratos sociales y culturales, quienes afianzan su amistad durante sus reuniones como voluntarios en el centro nacional de Lucha contra el HIV. Cada Viernes se reúnen para compartir sus experiencias. Es durante esas reuniones donde los protagonistas cuentan como vivían antes, las razones que los motivaron a esconder la verdad y el comportamiento sexual que ejercían.

FORMAT: 120 X 27"

Script: Fredy Dominguez Diaz

SYNOPSIS: "The Hidden side of the Moon" tells the story of five young friends. Each one has a different story related with VIH. They share a friendship that arose during their collaboration and volunteer work at the National Center of Fight Against VIH. They meet every Friday to share their experiences. During those meetings the stories of the main characters are told, showing how they live before, the reasons that motivated them to hide the truth and the sexual behavior they perform.
